

# Two Day Painted Paper Collage Workshop

Join me for a two day workshop. The first day is spent wildly painting paper with acrylic paint and preparing our canvas. The second day we assemble our painted papers—creating several 8x8" collaged works. We work together—discussing the principles of art, and having fun to create something unique.

**This workshop is for those with no previous art experience. A fun way to create!**

I supply most of the materials, taking the stress out of shopping for supplies. (Framing is extra.) Bring me to your guild or art group, class size 6-12. Teaching fee and supply list available upon request.
